A Rosewood daughter that hits you with her overall capacity and mass. She has brood cow written all over her. We feel 76K can go out and produce top bulls and females, just as her mother is doing for us here at DCC. She is bred to our latest herd sire JSF Fifth Avenue 141K, which was purchased from Jungle Shorthorns in ND.

Bred April 6 to JSF Fifth Avenue 141K

Pasture exposed May 1 - Aug 1 to Saskvalley Janitor 46J

Millicent has been a favourite all summer. She is extremely good looking with her attractive front end, extra body shape, all while standing on an excellent foot. She comes from one of the top producing cow lines here at DCC. This is a female that will hurt to let go as she should be staying within the purebred cowherd. She comes halter broke and would be excellent for a junior member.

This mostly all red heifer with a splash of white on her shoulder should grow into a nice medium framed cow that will raise some really great calves with a strong milking ability. She is out of a cow I bought in the Foxwillow Shorthorns dispersal sale who goes back to the Muridale Julia family. This one was a hard one to let go. We bought her dam knowing she was proven in the Foxwillow herd and she is now earning her keep in our herd. If she wasn't going in the sale she would be in our replacement pen. We also have quite a few Freebreeze daughters in both our purebred and commercial herd and he has proven to be a bull that brings consistency in his progeny when it comes to weaning time. This heifer will make a great addition to anybody's herd. She is halter broke.

Double R Daffodil 11L is a quiet red and white heifer that will make a great addition to any herd. She is smaller framed with just the right amount of depth to her. Her dam is one of the very first purebred Shorthorns we bought in the 2020 alliance sale a nice deep bodied roan cow. Uphill Daffy 21G. I have two Daughters off 21G in my herd which is the reason 11L is being consigned to the sale as we've seen what this cow can produce and are excited to offer her as one of our first females that we will be selling. She is halter broke and has potential to make a great junior project.

The Francis cow family have been a Gar-Lind staple for a long time. This latest model has been a standout right from birth! She is deep, wide and has enough length to balance everything out. We liked this mating so much we did it twice! Full sister in the bred heifer pen.

Top notch heifer here. Long, smooth, and deep with a huge hind quarter. She is a real powerful heifer yet still very feminine. This one can hang some banners, and become a future donor.

The first calf crop, out of the \$60,000 US High Selling Bull at the 2022 Durhams in the Dakotas Sale, has hit the ground across Canada and the US and one of the consistencies they have is that they are IMPRESSIVE! The composition of JSF Manhattan 194J ET – depth of pedigree, structural correctness, immense quarter with massive hip, masculinity, yet attractiveness. Manhattan has exceeded all our expectations and has transferred his impressive traits onto his progeny. His calves are coming extremely easy, with a lot of growability. They are modelling Manhattan with structural soundness, length of spine and extreme hip and quarter. The females are extremely fancy and feminine looking, and the males are masculine with good testicular development. It does not matter what color they are coming in – red, white, roan. They are all PLAIN GOOD. There will be a considerable number of Manhattan calves coming in 2024 and we expect them to be just as impressive. Do not pass up the opportunity to access outcross genetics that will enhance your breeding program! Semen is stored at Alta Genetics. Buyer is responsible for shipping costs.

Sale Information

Location: The sale will be held at Saskatoon Livestock Sales (5 miles west of Saskatoon on Hwy 14)

Date & Time: Thursday, December 14, 2023 @ 1:00 pm CST. Sale Day Phone: (306) 382-8088

Air Travel: Saskatoon Airport is served by all major airlines - check with your travel agent for further details. We will be happy to look after you, but please give us sufficient time if you require assistance.

Terms: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing of buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Phone, Mail, Wire Bids: Bidders unable to attend the sale may phone, wire, or mail their bids and instructions to the sale manager, auctioneer, or special representatives. Bids must be received in sufficient time prior to the sale.

Breeding information: All cattle of breeding age are guaranteed to be breeders. All calfhood vaccinates are noted in the catalogue. Any export tests will be arranged after the sale, at the seller's expense. The standard guarantee as endorsed by the Canadian Shorthorn Association will apply.

Pedigrees: The Canadian Shorthorn Association certificate of registration will be furnished with each animal sold, including calves by side of day, duly transferred to the purchaser after payment has been made. Proper instructions must be provided at the conclusion of the sale. Extensions granted on order bids only. Costs incurred due to incorrect transfers will be borne by the purchaser.

Insurance: Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

Delivery: Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

Errors: All announcements at sale time, written or oral, supersede any written material in the catalogue.

Liabilities: Shorthorn Alliance, their consignor, sale staff and representatives accept no responsibility for any accidents that occur. All persons attend the sale at their own risk. It is understood that the Saskatchewan Shorthorn Association is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does the Saskatchewan Shorthorn Association assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. Saskatchewan Shorthorn Association assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.
